- 1. Introduction**
- 2. YOUR Takeaways**
- 3. How to do the course**
- 4. Support information**

1. Introduction

Welcome to the Global Leadership Online Program . . .

You are here either because you are taking up a new position overseas, are already working as a part of a global or will be doing either of those in the future. We thank you for being a part of an important experience that is only the start of your ongoing global development journey.

Before you get started, take a brief moment to read this introduction to the program. It will help you to maximize the learning process and gain a great deal from the program.

2. Your Takeaways

Hear the thoughts of business leaders on their experiences & tips from them

Understand key models around culture

Build you cultural agility

Build your Personal Leadership Profile

Adapt your communication according to the situation

Receive feedback from the HummingByrd team

Create an Action Plan that will support you in YOUR new role

3. Course Modules
